

To kick off **Waste Reduction Week**, we are announcing a student challenge. All schools in Southern Ontario from JK to University are welcome to compete for a grand prize of \$600 to put towards any green initiative for your school!

We will provide your school with great learning materials to help raise awareness about the positive impacts of textile recycling.

A garbage bag full of clothes weighs approximately 25 pounds. If every student brought 1 bag...that's **A LOT** of waste diverted from a landfill!

Contest registration deadline is **November 1, 2013 8pm**
Contest Ends **December 1, 2013**. Entries are weighed at pick-up on December 2-3. The school that collects the most used textiles based on school population wins! Winner announced on December 5th!
